

WEEKEND REVIEW MARCH 25, 2017

I can't believe that term 4 has started already. Next thing we know it will be summer break.

Registration for Grades 1-9

If in January, you declared intent to return to Ascent for next school, you should have received an e-mail last week that provided you with instructions and a link for you to re-register your child for Ascent for next school year. You MUST follow this link and re-register in order to be assigned to a class for the 2017-18 school year.

Mountain Bike Team Registration

For Grades 7-9 Boys and Girls, there is a parent informational meeting and registration on April 19th at 6:30pm. No experience needed. Come and find out what mountain biking is all about!

Teacher Appreciation Week

For Teacher Appreciation Week, May 1st-5th the committee will be bringing in something everyday to show our teachers how much they are appreciated. The committee is looking for gift card donations to include in the weeks items. Gift cards can be dropped off in the office. Thank you for your support.

Robotics Club

Please join us for a discussion about our proposed Vex IQ Robotics Club. Details about the Vex IQ program, a robot and the playing field for last season's game will be discussed; along with a discussion on expectations for club participants. Interested students and their parents are invited to attend. March 29, 5:30 pm in Ascent Academy Farmington Library.

Reminder:

Monday, March 27 is a home soccer game at 4:30pm.

Friday, March 31 is an Early Out Day and a \$2 dress down.

Have an enjoyable evening,
Mrs. Newton - Principal
