

## **Weekend Review – December 3, 2016**

I cannot believe it is December already. This is a busy month both in school and out. Please stay safe and enjoy your family time.

### **DECLARATION OF INTENT TO RETURN TO ASCENT NEXT YEAR**

The email allowing you to declare your intent for next school year has been sent. Please make sure you complete this BY DECEMBER 16 in order to reserve your student's place at our school next year and to add any non-Ascent siblings to the lottery. Please check your junk or spam email as sometimes this email ends up there. The lottery email will provide you with instructions and a link for you to either re-register your child for Ascent next year, or decline your child's position. If you did NOT receive the declaration email, please contact our Network office manager, Ann-Marie Beck at [abeck@ascentutah.org](mailto:abeck@ascentutah.org). We want to make sure your student's spot is reserved before we open the lottery for the masses.

### **HANDS ON ART**

Hands on Art, is a local art and paint-your-own ceramic studio located in Farmington. They partner with local schools in the effort of creating awareness of art as a form of entertainment among our community. Ascent will benefit by receiving a donation of 15% of the proceeds. Join in the fun on December 8<sup>th</sup>. It's Ascent Night.

### **BASKETBALL GAMES**

We have two home basketball games this week. Come and cheer on this amazing team. The games are Monday, Dec 5<sup>th</sup> and Wednesday, Dec 7<sup>th</sup>. These games are so exciting to watch!!

### **WINTER WEATHER IS UPON US**

Please make sure your students are dressed appropriately for the outside weather. The students go outside for exercise twice daily. Remember to LABEL all items as our lost and found is already over flowing again.

With the snow comes some fun and some not so fun activities. Remind your students that throwing snowballs is NOT allowed. Not at each other, not at the building and especially not at cars. Students throwing snowballs will be referred to the office. Please help us keep everyone safe this winter season.

### **SNOW DAYS OR LATE START**

If Ascent Farmington decides to close, have a late start or call an early out due to inclement weather then parents will be notified through multiple venues, such as email through Aspire, postings on the school website, postings on Facebook, and a OneCall message. Please make sure we have your correct email and phone numbers in the Aspire account.

**DATES TO REMEMBER**

Thursday, December 22<sup>nd</sup> is No School and the start of Winter Break.
