FOR THE TEENS – SERVICE PROJECT

Who: The Jr. High Students

What: Donate a book or movie and participate in our character dress up day!

When: January 6th, 2017

Why: We have noticed a lack of age appropriate media for teenagers currently being hospitalized at Primary Children's Medical Center, to try to help them in this difficult period of their lives, we are collecting new or gently used books and movies to donate to them. Our donations should be based on them, so PG-13 and YA novels would be preferable (No rated R please)

No School on Monday, January 2nd. School resumes with a full day on Tuesday, January 3, 2017.

Happy New Year,
Mrs. Newton - Principal
