

## **Weekend Review - March 4, 2017**

I can't believe it is March already.

### College and Career Awareness

The Junior High College and Career Awareness classes are doing their sewing unit on March 9th and March 13th. Mrs. Page is looking for parent volunteers for each group. We have five sewing machines and she would like two parent volunteers for each group. Please email Mrs. Page at [jpage@ascentutah.org](mailto:jpage@ascentutah.org) if your interested.

### Annual Drill

In an effort to remain safe and be prepared, we will have a Lock Down Remain in Place drill on March 15<sup>th</sup> at 9:15am. This drill requires that all of the interior and exterior doors be locked and the students move to a corner in the classroom that has the least amount of visibility. The students are asked to remain silent for a short period. We will make every effort to move through this drill quickly. If you arrive at the school during the drill, you will not be admitted until the drill is over. Thank you in advance for your patience and support.

### Crazy Weather

The weather forecast can be unpredictable this time of year. The students will go outside as much as Mother Nature allows them to. It is muddy and cold and damp at times. It is also sunny and windy and muddy at times. Please remind you children not to play in the mud; we have limited extra clothes for them to change into. They are allowed to call home, however we try to respect your home and work time. Wearing a jacket with a hood to school daily never hurts.

### Read Across America Week

What fun that was! I hope you have had a chance to check out the photos on our Facebook page. There is some really cute stuff. Thank you to all of the parent volunteers who came during the week to make the experience so much enjoyable. Thank you Mrs. Rounds for being our guest reader on Wednesday.

## Family Movie Night

Family movie night featuring **Moana** will be held on Thursday, March 23rd at 6:00pm. Admittance will be free. There will be a charge for concessions. All proceeds will help fund the archery teams journey to the national competition in Tennessee. The event is BYOB (Bring Your Own Blanket) to sit or lay on. Everyone in the community is welcome to come join us!

Enjoy!

Mrs. Newton

Principal
